

VETERANS ATHLETIC CLUB

Affiliated to England Athletics, SoEAA, SCAA, RWA, BMAF & EAMA

President: Anna Garnier

Secretary: Ros Tabor

SHORT VAC COMMITTEE MEETING, 23 SEPTEMBER 2021 (HELD VIA ZOOM AFTER THE AGM)

SUMMARY OF KEY POINTS

1. Track & Field

The VAC Indoor Championships are scheduled for 4 December, the only date when the Lee Valley stadium was available this autumn/winter. Giuseppe Minetti would ask EMAC if they would like to share this date for their indoor championships. He would investigate engaging a meeting organiser/manager. It was agreed that in the future years, we should aim to hold these championships at the usual time in early spring.

2. Parkrun

The next parkrun get together will be at Burgess Park on 6 November.

3. Cross Country

The VAC championships were scheduled for 22 January. Maggie Statham-Berry would seek approval from the Conservators for use of the new course starting from the Causeway and going round the Queensmere pond. If there were problems, the 2nd Sunday of the Month course and old VAC course starting at Caesar's Well were possible alternatives.

Maggie Statham-Berry would take soundings from the club's women about fielding a women's team in the Surrey Ladies League Division 2 for the 2022/23 season.

4. Newsletter

The next newsletter will be issued at the end of November. This means submitting articles and reports to Angela Kikugawa by the end of October.

5. Next Meeting

The next meeting will be held at East Croydon on Thursday 18 November.
