VAC COMMITTEE MEETING, 20 NOVEMBER 2017: SUMMARY OF KEY POINTS

Finances

The club's bank balance was up from £19.4k in June to £21.4k in October.

Road races and walk

The one Virgin London Marathon place allocated to the club was awarded to David Hoben by ballot, with Stephen McDuell as reserve.

Provisional decisions were made to hold the 2018 VAC 10 mile champs race within the Dorking Ten on 3 June and the 10k champs at the Run Through 10k race at the Olympic VeloPark in May.

Cross country

Arrangements for VAC's cross country champs on 20 January were now in place, but officials were needed.

Next year's Inter-Area cross country was likely to be held in the North in late September and used as a selection race for the England team for the 2018 British and Irish Masters cross country.

Track and Field

Venues for next year's VAC Track and Field champs were being considered. VAC's traditional date during the late August Bank Holiday weekend had been taken by the BMAF for the national T&F championships. A provisional date of 22 July was selected for VAC's championships.

Next Meetings

The next two meetings will be held on 22 January and 12 March 2018.
