Life beyond sight loss
St Dunstan's since 1915

20 July 2018

Dear All,

I would like to take this opportunity to say a huge thank you for the recent kind donation of £129.00 to Blind Veterans UK following the Jack Fitzgerald Memorial Walks in Tilgate Park. Your donation will help us continue our work supporting vision impaired veterans and their families. Please pass our thanks to all your club.

At Blind Veterans UK, we believe that no one who's served our country should battle blindness alone. Founded in 1915 and previously known as St Dunstan's, Blind Veterans UK marked 100 years of service in 2015. From our birth through to modern day, we continue to provide a lifetime's practical and emotional support, helping blind veterans to recover their independence and discover a life beyond sight loss. You have contributed greatly towards the ongoing success of the charity – **so thank you again for being there for our blind veterans.**

Your gift does more than provide practical support – it's also a great morale boost for veterans who are battling blindness to know that there are people like you who haven't forgotten the sacrifice they have made. We support ex-Service men and women of all ages, from veterans of the Second World War to those who have been injured doing their duty in today's conflicts. On behalf of all of them and the team at Blind Veterans UK, please accept my thanks.

Yours sincerely,

Rachel Chitty
